"I enjoyed meeting people from other countries. We all lived together in one place, and became friends. I learned French and the activities were so much fun." — Daniel, Grade 9 (Mexico)

**O**ur camp is open to international students registered in our program at the beginning of the school year in September, as well as those interested in a camp-only experience.

**Morning schedule:** three hours of intensive courses presented in a stimulating and interactive learning environment by certified French teachers. **Afternoons and evenings:** activities and excursions, including Hopewell Rocks and the magnificent Bay of Fundy, a fishing expedition, Tree Go, an international kite festival, as well as National Acadian Day festivities on August 15th, where they'll discover the remarkable history and rich culture of the French-speaking Acadians living in Eastern Canada.

### Accommodations and Security:

Students live in residence, in a safe on-campus environment, and are supervised by several camp counsellors. They travel by bus to all activities and excursions.

A unique and unforgettable experience!
